

Retire Sooner With More

With the right defined benefit plan, you can retire sooner with more of your hard-earned savings. **Judy Soled, Principal of Liden Nestle Soled & Associates, Inc. (LNS)**, can show you how and help you manage your company's plan every step of the way.

Pension Benefits Expert

Judy Soled is head of plan administration for LNS. She has over 30 years of experience in all areas of qualified plan administration and specializes in defined benefit plans. Judy maintains a Qualified Plan Administrator designation from the American Society of Pension Actuaries and an Accredited Plan Administrator designation with the National Institute of Pension Administrators.

Judy Soled, Q.P.A., A.P.A. Principal,
Liden Nestle Soled & Associates, Inc.

Judy works with companies that are:

- Small to medium in size
- Closely-held private businesses
- Interested in tax savings for the owners

You can have it all.

Judy's philosophy is that we work to make money so we can enjoy life.

Contact Judy for more information about how LNS can help your business save on taxes and allow you to retire sooner and better.
